I believe that we had put aside \$100,000 to start the McMillian RI/FS.
We do not have time to start it this year, so maybe we could use the \$100,000 for the Corps work. Thanks CAS

FYI - Attached is a copy of the USACE Multi-Site IA amendment for an increase of \$200k. As soon as I receive your SOW & IGCE for expanded activities at the San Jacinto site, I'll work with you to set up a conference call with Marvene and the USACE Project Manager to make sure everyone has a clear understanding of what you expect in the way of reporting. Call if you have any questions. Thanks.
